Mr TS Tan, conferred as a Fellow by SHRI

Congratulations to our Director, Mr TS Tan, who was recently conferred as a Fellow by the Singapore Human Resources Institute (SHRI). Fellowship is only conferred upon professional members who have achieved eminence in the practice of human resource management and development, or have distinguished themselves by contributing to the body of knowledge relating to human resource management and development. Mr TS Tan has thus been recognised for his outstanding contribution to the Human Resources fraternity, and this has brought honour to the AYP team. Once again, let us congratulate him.

Sustaining excellence at our workplace

At AYP, we believe that our employees are our most valuable resources. In order to sustain excellence at the workplace, we first have to take care of our staff. We have thus recently embarked on a work-life integration initiative to enhance the personal and working lives of our employees.

Our work-life mission statement is as follows:

"We strongly believe that creating a flexible and supportive work culture for achieving work-life integration is likely to enhance staff well-being and satisfaction, and hence increase commitment and productivity. This will enable us to attract and retain our talent to achieve what is critical to our business - delivering efficient and excellent service. Thus, we are committed to encouraging and promoting an ideal balance in every employee's personal and work lives."

Yours sincerely,
