

Networking for A Cause

On December 17, 2011, **AYP Associates & Premium Staffing** was able to bring a smile in each of the residents' faces at DaySpring Residential Treatment Centre. Through the combined efforts of the whole AYP staff, each resident was able to receive a gift from their individual Christmas lists. On top of this very generous gesture, a donation of S\$3,300 was made possible through the different networking channels at AYP.

DaySpring Residential Treatment Centre is a safe haven that provides structure for girls who have gone through the trauma of abuse, may it be physical, sexual, or emotional.

AYP Associates Pte Ltd, has sponsored all the residents one of their choices from their Christmas wish list and also donated \$3,300 to DaySpring RTC. A very big thank you to the MD and staff of AYP Associates for their generous donation and for taking the time to visit the girls at DaySpring yesterday morning.

Our staff took the time to source for the best presents for these girls, which included a boxing set, a thumb drive, mp3 players and more. Other volunteers contacted their candidates and clients to inform them of this worthy cause which then translated to the S\$3,300 donation made on their behalf.

One of the key features of this facility's treatment program is the sustained attention these girls receive from the supportive caretakers. Through the efforts of AYP, this kind of individual guidance can continually be provided towards the effective recuperation of these young ladies.

Cheers to all our volunteers from Premium Staffing! We will continue our initiatives and soon enough, there will be smiles on everyone's faces.
